To our Electronic Subscribers: The paper version of this month's Nutmeg News included a page with three of the many photos of Encampment 2000 at North Adams. Rather than include a limited selection of black and white renditions of these great pictures in this electronic version of the News I will direct you to the Scrapbook section of our website at <http://nutmegsoaring.org> where you can view the full size, color originals of these and many other fine images.

Included in this issue is a "pull out" version of a membership list. As "connected" Nutmeggers, however, you always have access to the latest, most up to date member information at <http://nutmegsoaring.org>.

MESSAGE FROM THE PRESIDENT

Submitted by Lee Ramsdell

Welcome to August! We will be having a B.O.D. meeting on Friday, 8/4 at 7:30 PM to discuss several important issues. These will be reviewed at our General Meeting at the Bethany Town Hall on Friday, 9/8 at 7:30 PM; please attend. Discussions will include issues regarding the possibility of a new hanger, and the financial impact it will entail.

The grass grew very nicely along the side of the west-side road, thanks to all the private owners who drove only between the cones. Now its time to let the grass grow there, too, so it's OK to drive across the grass elsewhere. Lookout for the wet spots, though.

Private owners need to occasionally mow the grass UNDER their trailers. Please move them and use the riding lawnmower in the shed before the grass overgrows those areas. Other club members need to do the same around the club ship tie-downs and tow-plane tie-downs. Ask someone who knows how to use the mower, if you don't.

The 1-26 is FINALLY at the field, and it looks GREAT. Please take care of it , giving it the TLC it (and you) deserve. The same goes for the new Blanik. ENJOY!

This year's PIG ROAST will be on Saturday 9/23, rain date Sunday 9/24. Please sign up at the field, or on-line on our web page before 9/1 as I must order the pig (and size) early on.

Tows are down by 20% this year, obviously due to the weather, and our decreased instructor pool,. Please do your best to support your club, and come out and fly!

SOARING MAGAZINES AVAILABLE

Submitted by John Boyce

Any new Members or Associate Members.....

If you haven't started getting the Soaring magazine yet and would like to read about what's been going on in soaring, I have a large number of back issued of Soaring to which you are welcome. Let me know, and I will bring them to the field, or to a meeting. I'd love to move them off my shelves but don't like to see them go to the town dump.

Call John Boyce, 203.393.1225, or jboyce@snet.net

MIFFLIN PREVIEW

Submitted by Wally Moran

Butch Thompson is planning to rebuild his tow plane this winter . He is interested in our plans for a trip out this fall as he will keep it available for us. After review of the Penn State schedule, the week of 10/7 - 10/14 looked the best. There is no home game on the 7/8 weekend, a home game on the 14/15 weekend and homecoming the next weekend.

I have told him to plan on us starting around the 6th with some possibly through the 15th. If anyone has other thoughts let me know and I will coordinate with Butch.

He wants to get his project started but is kind enough to work with us
